For the definition of SMEs, look at: http://ec.europa.eu/growth/smes/business-friendly-environment/sme-definition_en

Short introduction of key areas of the institution/company:

PSCC is a Scientific Cooperation Foundation (FCS), a private non-profit organization serving the public interest. From its inception, the PSCC has brought together academic, industrial, and institutional stakeholders to foster interactions and collaborations in oncology. We offer high-potential innovators a dedicated ecosystem of world-class experts, cutting-edge technologies, services, and infrastructures, along with unparalleled access to patient data and biological samples.

Former participation in an FP European project?
